I dropped out of my B.Com. degree
after completing the second semester.

Career Objective

Creative and results-oriented Graphic Designer with **5+ years of experience** in developing engaging marketing materials that improve brand visibility. Skilled in social media creatives, print design, video editing, and advertising graphics, with a passion for creating clean, impactful, and innovative designs.

How I started my graphic design journey?

My graphic design journey began with a passion for creating visually appealing things. I started to experiment with different design software and techniques, and I quickly realized that graphic design was the perfect way to combine my creativity with my technical skills.

I took some online courses to learn the basics of graphic design, and then I started working on my own personal projects. I created logos, posters, and social media graphics for myself and my friends, and I also volunteered my design services to local businesses and organizations. This hands-on experience helped me to develop my skills and refine my style.

Once I had a solid foundation in graphic design, I started to look for freelance work. I found opportunities online and through networking with other designers.

Graphic design courses I have taken:

- 📌 **Campaign Design For Social Media**
- 📌 **Edit & Cuts** – Learn Video Editing and Storytelling
- 📌 **Inspire & Design** - A Graphic Designing Ideas Generation
- 📌 **Unlock Design** - Basic to Advance Graphic Design
- 📌 **Unlock Typography** – A Complete Course On Font Selection

Experience:

2020 – Present → **Freelance Graphic Designer**

Worked with local businesses and individual clients to design logos, posters, social media creatives, brochures, banners, and marketing materials.

2022 - 2025 → **GROWiT India Pvt. Ltd.**

As a Graphics designer & Video Editor.

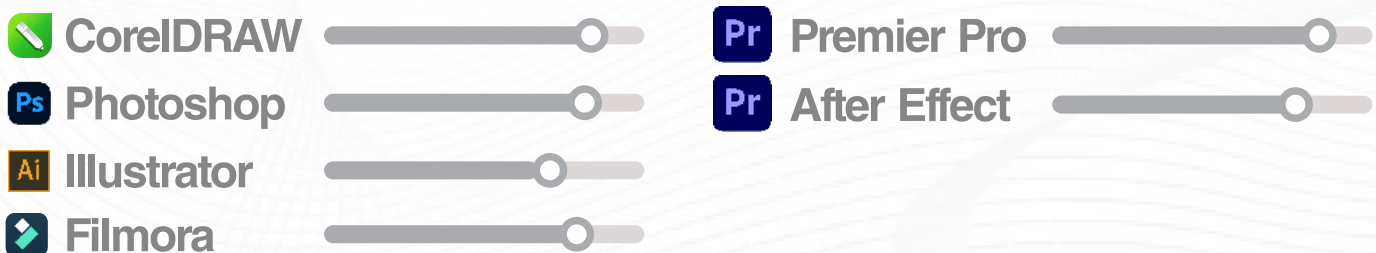

Created social media creatives, posters, brochures, Meta ad designs, video edits, and print marketing materials for brand promotion.

2019 - 2022 → **Costal Salinity Prevention Cell By TATA Trusts-Talaja**

As a Graphics designer

Designed awareness creatives, posters, social media graphics, and campaign materials for community and project communication.

Software Skills:

Also familiar with MS Word, Excel, and PowerPoint.
